

You're in control

At Franchisesouq, we understand how important it is for you to remain in control of your company's image and that is why we designed our system to give you control. When you create your account your email address becomes your account login with the password you choose.

With a 24/7 access to your account, you can check your statistics, edit & modify your listing anytime you choose, empowering you to keep your listing fresh & up to date in order to get the best exposure, when you want.

If you need support in uploading your brand content our support team will happily assist you. Get in touch with us by email to sales@franchisesouq.com. We'll be happy to help.
